Re: United States vs. Jenny Fernandez Nataren, etal 20-cr-659

Dear Judge MacMahon,

A pre-trial conference has been scheduled before Your Honor for April 10<sup>th</sup>, 2023. The Government and defense counsel have been in discussions regarding the disclosure (obtaining) of certain confidential materials that are relevant toward mitigation in connection with her alleged involvement therein as well as a resolution of this matter. *plea discussions*

In view of the foregoing, the defense is requesting that the upcoming conference be adjourned to the latter part of May, 2023. The Government has indicated that it has no objection to my request provided that speedy trial time is excluded for the time period of the adjournment which the defense agrees to.

Thank you for your time and consideration herein.

Very Truly Yours,

*Victor Knapp*
